PRELIMINARY AMENDMENT

S I R:

Please enter the following Amendment in the above-identified application:

In the Claims

Please amend claims 1, 2, 5, 6, 7, and 10 to read as set forth below. Marked-up versions of claims 1, 2, 5, 6, 7, and 10 indicating the changes made in this Amendment are provided in "Attachment A". Changes are indicated in the following manner: deletions appear surrounded by [], and additions appear as underlined text.

1. (Amended) An image display processing apparatus for displaying in a single display window a main window for displaying main information and a sub window for displaying accompanying information associated with said main information, said sub window having a height and width independent of a height and width of said main window, the image display processing apparatus comprising:
